Tips, Do's and Don'ts

- If you found an apartment yourself, do not pay money up front before seeing the apartment.
- If you found an apartment yourself and are not sure about the reliability of the tenant, you can always contact accommodation@ism.lt and we will help you out.
- Always carefully read the rent agreement documents and contact us, if you are not sure about something. Make sure the landlord can provide temporary permit of residence.
- Be aware that most of the time taxes are paid separately from the rent price.
